

Taft Talks Peace in Naming Nov. 30 Thanksgiving Day

President Concluding His Visit in Chicago Issues Annual Proclamation.

CHICAGO, Oct. 29.—President Taft today issued his annual Thanksgiving proclamation, calling upon citizens of the United States to celebrate Thursday, Nov. 30 next, as a day of thanksgiving and prayer.

"I, William Howard Taft, President of the United States of America, do hereby designate Thursday, the thirtieth of November, as a day of thanksgiving and prayer, and a day of thanksgiving and prayer, and I earnestly call upon my countrymen, and upon all that dwell under the flag of our beloved country, then to meet in their accustomed places of worship, to join in offering praise to Almighty God, and devout thanks for the loving mercies he has shown us."

Rich harvests, industrial prosperity, enlarged markets, freedom from famine, pestilence and war are mentioned in the preamble of the proclamation. The Taft policy of peace is discussed as follows:

"Our national councils have furthered the cause of peace in other lands, and the spirit of benevolence has brought us into closer touch with other peoples. Strong in the sense of our own right, and inspired by as strong a sense of the rights of others, we live in peace and harmony with the world. Rich in the priceless possessions and abundant resources wherewith our God has blessed us, we are ungratefully glad when other people pass onward to prosperity and peace."

"Turning his face Eastward at the end of forty-five days of political joy riding, President Taft today concluded his 'winning of the West.' The President expressed himself to-day as 'well satisfied' with the results of the trip, as he sees them."

"It has been a great trip," he declared. "I have had an opportunity to get close to a great many of the people, and they have turned out in great numbers to hear what I had to say. I have been able to tell them a great many things about my reasons for not doing various things and for declining to do other things. On the whole, I think the trip has been a great success."

A visit to the National Dairy Show, in the Stockyards Amphitheatre, opened the President's program. It was the final day of his Chicago visit. Following this he held the cornerstone of the new clubhouse of the Hamilton Club, which entertained him at luncheon. He will leave for the East late this afternoon.

CHURCH SINGER MARRIES AT CLOSE OF EVENING SERVICE.

Bride Knew so Many People That She Resorted to This Plan to Avoid Formal Invitations.

(Special to The Evening World.) BOMERVILLE, N. J., Oct. 30.—There was an unusual wedding at the First Baptist Church last night. At the close of a special musical service Miss Jessamine Burd, the contralto soloist, stepped from the choir to the altar and was married to James Lee Lee of Stapleton, S. I., by the Rev. Frederick J. Soule, pastor of the church. The ceremony was performed in the presence of hundreds of people, the church being crowded to overflowing. Miss Lindquist, also a choir singer, was bridesmaid and Ralph M. Cole of Tottenham, S. I., was best man.

Doctors Prescribed Morphine.

I was taken with a terrible pain in my right kidney and right side, and had to commence doctoring, but got only temporary relief by the use of morphine. This pain came often and worse. I tried everything and six doctors, but still grew worse. Some doctors called it neuralgia, others said I had colic. The pain was so severe I could hardly breathe. It would run from my right kidney down to my bladder with such excruciating pains that it drew me almost double. I would keep my bed for days, and the terrible suffering I passed through I cannot express.

After suffering worse than death for one year, and spending lots of money, I went as a last resort to a drug store and purchased a bottle of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. I kept on using it until I had taken fourteen bottles, and to my surprise I passed twelve gravel stones the size of small soup beans. Anyone doubting the above statement may enclose stamp to me for reply.

well known here and in Plainfield, where she has sung in church choirs for a number of years. Owing to her large circle of friends she believed she could not have a formal church wedding and at the same time extend an invitation to all who desired to attend the ceremony, so she resorted to the novel ceremony at the close of the musical service, of which she was the leading soloist.

BROKER GOES TO ISLAND FOR A SIX MONTHS' TERM. Keitel Sent Out Circulars Injurious to the Credit of American Mailing Company. Justice Page in the Criminal Branch

of the Supreme Court to-day sentenced Adolph Keitel, a broker of No. 32 New street to the Blackwell's Island penitentiary for six months for circulating untrue and malicious statements regarding the American Mailing Company. It was shown by evidence brought out in a three weeks' trial by Assistant District Attorney Butler that Keitel had sent out thousands of circulars injurious to the credit of the company. Former Municipal Justice Henry W. Engel told stories in his plea for Keitel on the fact that Keitel really believed what he said the officers about the company. Justice Page concluded this in imposing sentence.

"Taking into consideration your innocence," he said, "and the fact that you were not knowingly falsifying for gain, I shall not, as I intended, sentence you to the full extent allowed by law—one year in prison and a fine of \$50—but to six months in the penitentiary only."

Every day Keitel is in prison he will look out on a black-long sign of the American Mailing Company painted in glaring white letters on the walls of the concern's plant at the foot of West street, sixty-fourth street.

Boy's Arm Cut Off by Car. While trying to dodge across the street in front of a truck, four-year-old Minnie Chelley of No. 187 Avenue B was run down by a northbound electric car at Twelfth street and Avenue B today. The boy was thrown under the wheels, which cut off his right arm close to the shoulder. Dr. Klingman of Bellevue applied a tourniquet and closed the wound to the operating room. He is expected to live. Motorist Leroy was not arrested, as he had no opportunity to stop his car in time to prevent the accident.
